Motion to approve minutes from June 15, 2022, motion to accept the minutes by Ron Taylor, Seconded by Renee Zelt. All in favor. Motion carried.

Account Ledger received and filed.

Casey gave his report on the lake. The Phoslock treatment to help with the nutrients in the lake. There is a improvement from the year before. Native plants look good.

### **NEW BUSINESS:**

Terry explains why the account is so low. Lucy continues to explain that the when the question arose about how low the account was, she looked in to why it was so low. Somehow the assessment was missed on last year winter taxes. Lucy gives some options on what to do for the new assessment coming up. Questions were asked what was spent last year and Casey stated that \$5,000.00 was spent last year and \$6,500.00 up to date this year. He said they did spend \$8,000.00 one year.

The report on the berm was a trapper did come out to look at the current holes and was determined to be non-active. Spicer Group wants the whole berm brushed hog because they want a better look at berm. They are afraid the berm is seeping. DeLisle Landscaping will be coming out to brush hog the south side of the berm. After that has been done and any holes look active then the trapper will be called back out. Spicer Group then will also come back out and reinspect the berm. Drain office will keep everyone updated.

Casey will only do a algae treatment and not a water quality to help keep costs down.

### **OLD BUSINESS:** None

**COMMENTS:** Testing the water of the county beaches. Ron Taylor stated only high usage beaches are being tested.

A Motion to adjourn by Ron Taylor, supported by Craig Mills.

All in favor: m/c

Meeting adjourned at 6:14 p.m.

Respectfully submitted.
